

The School of Technology and Computer Science (STCS) at the Tata Institute of Fundamental Research (TIFR), Mumbai is organising an online summer school for women students in CS, EE, and associated areas. The programme seeks to introduce students to advanced topics and to encourage students to take up research in these areas. The two-week programme will consist of technical courses taught by faculty from STCS, TIFR, and will include problem-solving sessions, mentoring sessions conducted by students and faculty, and a distinguished lecture series presented by eminent women scientists.

Two-week online summer school

Courses in contemporary topics in theoretical computer and system science

Lectures by eminent women scientists

Interactive mentoring sessions

Dates: June 21st to July 3rd, 2021

Eligibility: Women students who have completed or are enrolled in their 3rd year of UG education in CS/EE/ECE/Math/Stats or related fields.

Students already enrolled in a PhD programme are not eligible.
